

**Topic:** Food

**Level:** I semester I week Hindi

**Overview:**

How to order food in the restaurant

**Prime:**

Review of vocabulary done in the previous class, i.e. verbs (eat, drink etc.), adjectives (cold, hot, fresh, spicy etc.)

**Presentation:**

I will show the new vocabulary of food/ dishes through pictures and explain them how to order such food if they are in the restaurant in Hindi (using imperatives and चाहिये construction) .

I will show a menu of Indian restaurant and ask them to order food.

**Interactive Practice:**

I will pair-up the students in the groups of three each and supply Indian restaurant menu. In each group there will be one person playing a waiter and other will be playing customers. They will be ordering different food and talking about the food with the waiter.

**Accountability:**

Each group will be asked to present their conversation as skit in front of the class.

**Follow-up:**

Students will be expected to write their skit and go to Indian restaurant.
